

Finista® Undermount Runners

Concealed Strength. Seamless Performance.

Upgrade your cabinetry with the sleek, silent, and strong performance of Finista® Undermount Runners—the ideal solution for wooden drawer applications where durability and design matter.

Concealed Full Extension Runners

Enjoy a clean, minimalist aesthetic with runners hidden from view, while still being able to access the full depth of the drawer.

Soft-Close Functionality

Integrated soft-close ensures a smooth, quiet close every time - gentle on the user and gentle on cabinetry.

3D Tilt Adjustment

Fine-tune drawer alignment with ease thanks to 3D tilt adjustment, delivering precision and flexibility during install.

Heavy Duty Load Capacity

Built to handle up to **40kg**, these runners are engineered for strength and reliability in both residential and commercial settings.

Versatile Installation

Suitable for both standard and inner drawer configurations, offering flexibility across a wide range of cabinetry designs.

Zinc-Plated Finish

Durable and corrosion-resistant for long-lasting performance.

Eight Size Options

Available in **270mm to 600mm** nominal lengths to suit a variety of drawer depths.

Peace of Mind Built In

Backed by a **20-Year Warranty**, Finista® Undermount Runners are a long-term investment in quality and performance.

Nominal Length	Load Capacity	Single Buy EA EX GST	Bulk Buy 10+ EA EX GST	Bulk Buy 20+ EA EX GST	Code
270mm	40kg	\$23.62	\$17.72	\$13.29	7115348
