

YARRA SLIDING DOOR LOCKS

Featuring contemporary designs that complements a variety of styles, Austral's Yarra Ridge and Yarra View Edge ranges deliver durable and stylish all-metal locks to suit any sliding glass door. Australian designed and manufactured, they are crafted to last and resist corrosion and available in a range of finishes.

YARRA RIDGE D-HANDLES

Featuring a sleek, modern design that complements a variety of styles, Austral Yarra Ridge D Handles are crafted with precision and attention to detail, ensuring they meet the highest standards of quality and durability.

- Increased knuckle clearance to operate key
- Twin counteracting beaks engage an all-metal catch plate, providing resistance to jemmying and restraining the door against being lifted from its rails
- Self-adjusting catch plate automatically compensates for building movement and door carriage wear, to ensure correct latching after continued use
- A range of outer pull designs are available for various applications
- Anti-slam plunger prevents the door being shut with beaks extended, avoiding damage to beaks and catch plate
- Fits Industry-standard three-hole door cutouts (three 9mm diameter holes)
- Fits wide range of door stile thicknesses from 21.3mm to 46.4mm
- Suits left-closing and right-closing doors (lock is not handed)

YARRA VIEW EDGE D-HANDLES

Yarra View – Edge is an all-metal lock for sliding glass doors. Contemporary design will suit wide range of doors and households.

- Twin counteracting beaks engage an all-metal catch plate
- Self-adjusting catch plate automatically compensates for building movement and door carriage wear
- A range of outer pull designs are available for various applications
- Anti-slam plunger prevents the door being shut with beaks extended, avoiding damage to beaks and catch plate
- Fits Industry-standard three-hole door cutouts (three 9mm diameter holes)
- Fits wide range of door stile thicknesses from 21.3mm to 46.4mm
- Suits left-closing and right-closing doors (lock is not handed)
