

# 571 Waste Management System

Exclusive to Lincoln Sentry

**Gollinucci**  
DESIGNED FOR EVERY DAY

Available exclusively through Lincoln Sentry, the Italian-made 571 waste management system has been designed to complement the sophisticated, simple and slim design of the LEGRABOX drawer system from Blum.

Gollinucci's 571 system is easy to assemble and comes in a range of colours to complement the LEGRABOX program.

The 571 system has been designed to support LEGRABOX C height drawers allowing the additional benefit of tilt adjustment, great for ensuring accurate gaps between cabinet and bench top, and adjacent cabinetry, when accommodating larger fronts.

- Available in two sizes for cabinet widths – 450mm and 600mm
- Comes with lightweight aluminum cover and internal metal lid to cover the system when closed
- Metal cover and lid colour suits drawer sides, while the buckets stay the same lighter grey
- 1 year warranty
