

ELEVATE YOUR PROJECT WITH QUALITY FRANKE URBAN RANGE APPLIANCES

Exclusive to Lincoln Sentry in the cabinetmaker market, the Franke Urban appliance range adds practicality, style and elegance to your kitchen projects. With over a century of Swiss heritage, Franke's name is synonymous with producing appliances of the highest quality and reliability.

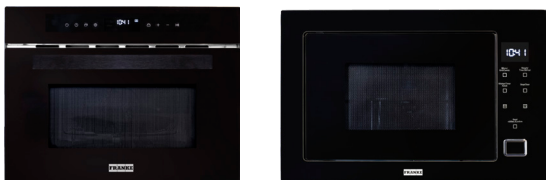

OVENS

Franke Urban 60cm and 90cm Multifunctional and Pyrolytic Ovens are crafted to handle a lifetime of cooking in every style of kitchen. Impressive functionality, intuitive controls and effortless self-cleaning (on selected models) allow you to push your cooking to the limit without breaking a sweat.

MICROWAVE OVENS

Able to be installed either individually or in an integrated stacked design above or below the oven, nothing walks the line of beauty and functionality like a Franke microwave. The two 45cm options have impressive functionality that offers the convenience of quick cooking within a stylish black glass finish.

COOKTOPS

Franke's innovative functionality also features across the Urban range of 60cm and 90cm gas and electric induction cooktops. The black glass and stainless steel cooktops are designed to maximise cooking potential with spacious surfaces, powerful heating zones and minimalistic designs that make cleaning easy.

RANGEHOODS

The Franke Urban 52cm, 60cm and 90cm undercupboard, slide out and T-shape rangehoods offer varying fan speeds and quiet yet powerful airflows, a variety of functions and intuitive switch systems, and easier cleaning of filters with dishwasher-safe aluminium mesh.

DISHWASHERS

Franke Urban 60cm freestanding and semi/fully integrated dishwashers are crafted to bring the same functionality and power of the Urban cooking appliances and feature spacious capacities, multiple cleaning programs and stylish designs.
