

CleanGuard

Toluene-Free All-Purpose Thinner

CleanGuard Toluene-Free All-Purpose Thinner is your ultimate solution for versatile adhesive thinning and cleaning tasks. This premium-quality thinner offers high solvency power and a mid-to-slow evaporation rate, making it an excellent choice for a variety of projects. Whether you need to thin adhesives, remove stubborn spots, or clean tools and work areas, CleanGuard ensures effective and reliable results.

Unrivalled Superpowers

- High solvency power for efficient thinning and cleaning
- Mid-to-slow evaporation rate for controlled application

Unleash the Might of CleanGuard

(Directions for Use)

- Fumes can be harmful if inhaled in large quantities. Work in a well-ventilated space or use it outdoors.
- Use gloves, safety goggles, and a mask or respirator to protect your skin, eyes, and lungs from exposure to vapours.
- Ensure your work area is clean and free of any ignition sources, as it is highly flammable. Have a fire extinguisher nearby just in case.
- Pour into the adhesive slowly, stirring continuously to ensure a thorough mixture. Avoid adding too much as it can alter the properties of the adhesive.
- Use the thinned mixture as you normally would, whether it's brushing, rolling, or spraying.
- After use, clean your brushes, rollers, guns, and other equipment with CleanGuard. Dispose of any used rags according to local hazardous waste regulations.
- Keep it in a tightly sealed container and store it in a cool, dry place away from direct sunlight and heat sources.
- Always follow safety procedures for handling and disposing of hazardous materials to protect yourself and the environment.

Heroic Applications

- Thinning general-purpose adhesives
- Removing adhesives and spot cleaning
- Cleaning tools, brushes, glue containers, and work areas

Heroic Attributes

(Typical Properties)

Physical State	Clear Liquid
Initial boiling point and boiling range (°C)	78°C
Flash point (°C)	-9°C
Auto-ignition temperature (°C)	450°C
Flammability	Highly Flammable

Handling & Storage

- Consult the Safety Data Sheet before use.
- Keep away from heat, hot surfaces, sparks, open flames, and other ignition sources
- Avoid exposure to direct sunlight.
- Ensure safe handling by wearing suitable protective clothing, gloves, and eye/face protection.
- Use and store in a well-ventilated place. Keep cool.
- Don't use on polystyrene foams
- Don't use on adhesive that bonds polystyrene foams
