

Knight Fast Fix Hinges

EXCLUSIVE TO

The Knight Fast Fix hinge range offers a reliable and efficient solution for both aluminium and timber door applications. Suited for commercial projects, Knight Fast Fix hinges are designed to save you time with their fast and easy installation along with their long-lasting durability for peace of mind.

Fast Fix Design

Pre-drilled and supplied with screws (where applicable) for quick and easy installation.

Durable Materials

Made from high-grade 304 stainless steel or anodised aluminium for corrosion resistance and strength.

Versatile Applications

Options for aluminium and timber frames, including narrow stile and interfold configurations.

Finish Options

Available in satin stainless steel, clear anodised, powder-coated black, and white.
