New products from Lincoln Sentry

ABACO HAND HELD SUCTION CUPS

- Designed for lifting and moving flat, smooth surface materials like glass, benchtops and furniture.
- Compact, lightweight, and durable for heavy items.
- Attaches to the surface firmly and releases quickly with no marking.
- Suction Cups can be easily removed for cleaning purposes.
- The red line indicator warns users of vacuum loss. When it appears while lifting, thumb-pump the plunger without removing the cup from the surfaces.
- The release button permits a quick and complete release of the vacuum pressure.
- The handle, valve and plunger are all simple to use, store, and remove for cleaning.

Work Load Limit
80kg
