

# Legge 995MF Series Mortice Lock Kits

Designed for narrow stile metal and timber doors, the Legge 995MF Series offers a robust and versatile locking solution for commercial and industrial applications.

## Flexible Compatibility

Suits hollow metal door sections (from 39mm internal depth), narrow stile timber, and French doors.

## Multi-Function Case

Easily converts from vestibule (inside handle free) to combination lock (both handles locked) via external operation.

## Reversible Stainless Steel Latch

Adjusts for inward/outward opening and left/right handing without disassembly.

## Deadlatching Subbolt

Stainless steel subbolt automatically retracts with the main latch for added security.

## Furniture Compatibility

Accepts bolt-through fixing for 159mm vertical furniture, including Legge 5300/5400 Series.

## Universal Follower

Supports 7.6mm–8mm spindles with no adjustment required.

## Secure Cylinder Retention

Threaded pin ensures reliable cylinder fixing.

## Electric Strike Ready

Compatible with most electric strike systems.

## 10-Year Manufacturers Warranty\*

Peace of mind with assured quality and performance.
