

CUTTING EDGE DOOR SYSTEMS FROM BRIO

Elevate your interior design projects with Brio hardware crafted for a variety of internal sliding and bifold door applications, such as large doors and room dividers. Brio offers superior functionality, ease of installation, and sleek aesthetics. Explore the Multifold 30, Pivotfold 35, and Brio Open Rail 80 systems to find the perfect solution for your needs.

Brio Multifold 30

The Brio Multifold 30 is a versatile interior folding door hardware system, ideal for residential and light commercial applications. It supports panels weighing up to 30kg and offers a maximum panel height of 2400mm. The system features a pivot and hanger axis within 25mm of the door edge, minimising overhang and enhancing appearance. The hanger includes four precision bearings and a quick-release plate for easy installation.

Key Features

- Max Panel Weight: 30kg
- Max Panel Height: 2400mm
- Max Panel Width: 650mm
- Min Panel Thickness: 19mm
- Horizontal Adjustment: +4.0mm
- Available in various pack sizes: 2, 4, and 6 panel packs

Brio Pivotfold 35

The Brio Pivotfold 35 is designed for top-hung interior folding partitions, suitable for residential and light commercial use. It supports panels up to 35kg and allows for configurations of up to six panels folding to each side of the opening. The system is easy to install with a pivoted first panel, ensuring all panels are of equal size.

Key Features

- Max Panel Weight: 35kg
- Max Panel Height: 2400mm
- Max Panel Width: 900mm
- Min Panel Thickness: 35mm (or 38mm with flush bolts)
- Available in various pack sizes: 2, 4, and 6 panel packs

Brio Open Rail 80

Brio's Open Rail 80 system offers a stylish barn door solution for panels up to 80kg. The hangers use nylon-tyred precision bearings for smooth movement over the flat bar rail. The system is available in satin stainless steel or powder-coated black mild steel options, with pack sets including hangers, doorstops, guides, and bracket fixings.

Key Features

- Max Panel Weight: 80kg
- Satin stainless steel or powder-coated black mild steel options
- Includes hangers, doorstops, guides, and bracket fixings
- Available in 2m and 2.5m rail lengths
