

ELEVATE YOUR PROJECT WITH OUR SINKS RANGE

From budget reno through to premium luxury home, our newly refreshed sinks range offers solutions to suit, at prices that enable you to make more of your kitchen and laundry projects. All Oliveri sinks are backed by a lifetime warranty and pair perfectly with selections from our exciting tapware range.

SANTORINI

Oliveri

The Santorini range of Italian made granite sinks offers contemporary, durable options for when your project calls for a stunning but harder wearing solution.

- Colours: Black, White
- Undermount, topmount and bowl only/with side drainer configurations available

SPECTRA

Oliveri

For when the finer details make all the difference, a Spectra sink is the perfect choice. With a sleek 5mm radius corner, the Spectra square bowl sink comes in five beautiful colour finish options to provide a solution for every design.

- Colour finish: Gold, Stainless Steel, Gunmetal, Copper, Black
- Made from thicker and stronger 1.2mm stainless steel
- Single, 1 & 1/2, and double bowl configurations available
