

dormakaba SB2212 Series Mortice Lock Kits

The dormakaba SB2212 is a high-performance, short backset mortice lock designed for narrow stile aluminium doors. With a compact 23mm backset, it's ideal for a wide range of applications including retail, office, shopfront entrances, schools, hospitals, and hotels. Engineered for durability and ease of installation, the dormakaba SB2212 delivers reliable security across a wide range of door types and configurations.

Durable Construction

Zinc alloy case with a satin stainless steel finish, 304 grade stainless steel faceplate and strike plate, sintered stainless steel latchbolt and auxiliary latch, and high grade spring steel springs.

Versatile Functionality

Available in multiple configurations including entry, classroom, and passage functions.

Reversible Design

Non-handed lock body allows for easy adaptation to left or right-hand doors.

Electric Strikes

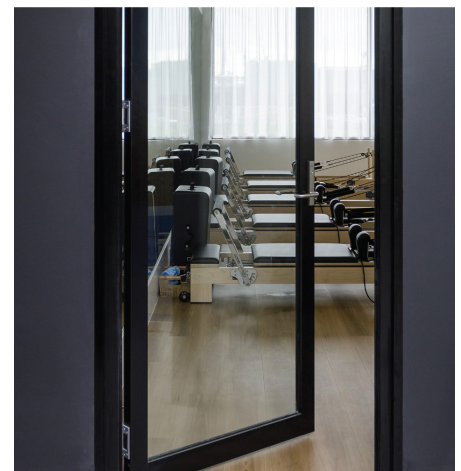

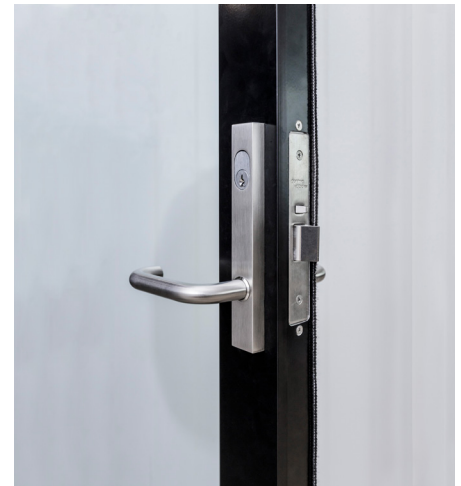

Compatible with most electric strikes.

Key Options

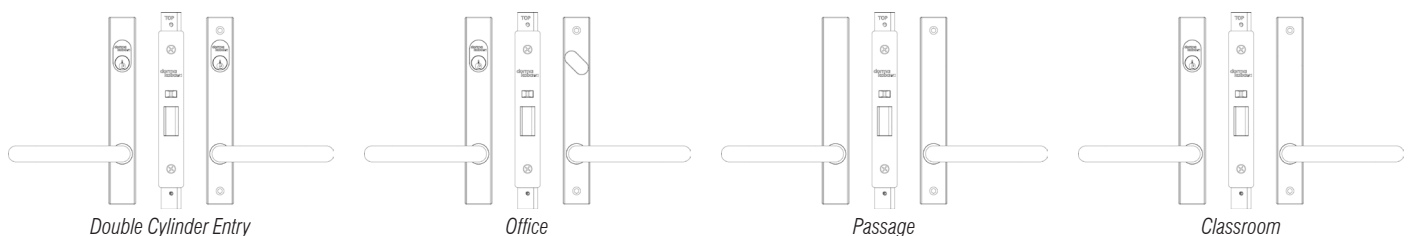

Can be grand master keyed, master keyed, keyed alike or construction keyed in all leading restricted and non-restricted keying systems and key profiles.

Warranty

Backed by dormakaba's 5-Year Mechanical Warranty*.
