Finista® | EDGE Drawer System

The new Finista® Edge drawer system enables **more** with enhanced functionality and aesthetics to suit modern spaces.

Beyond its sophisticated look in either matt white or matt black, Finista® Edge is designed to craft spaces more efficiently, with faster and easier cabinet production and installation*.

The sleek 13mm sides with easy to open and soft-closing function are standard across four drawer heights and three inner drawer heights. When coupled with 3D adjustment, Finista® Edge offers great value when you need a durable, functional and attractive drawer solution.

SOFT CLOSE | 40KG LOAD CAPACITY

20 Year Replacement Warranty**

Finista® Edge is backed by a 20 Year replacement warranty, giving you confidence and more peace of mind.

- The above values are calculated on the assumption that the doors have square edges.
- They are reduced if the doors have radiused edges.

Projection of the door

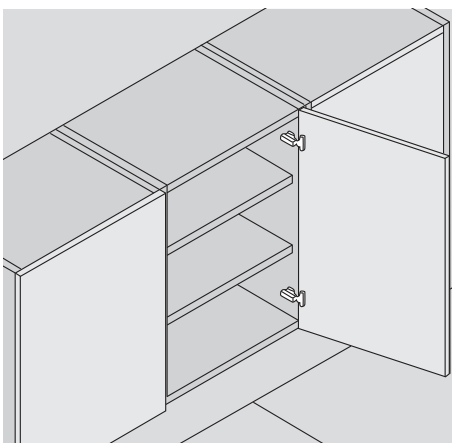

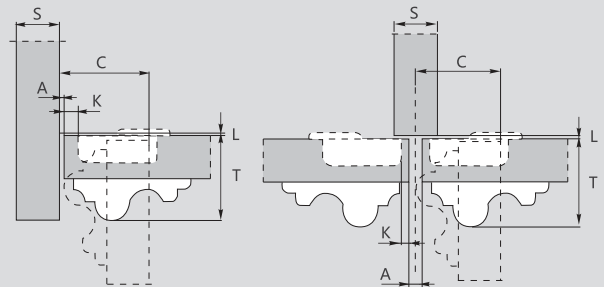

Projection of the door from the cabinet side at the max opening. The figures are based on a straight arm hinge, H=0mm mounting plate and drilling distance (K) =3mm.

"C" value

$$C=20+K+A$$

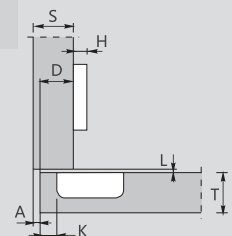

With this formula you can obtain the max thickness of the moulded door that can be opened without touching adjacent carcass sides, doors or walls, whilst bearing in mind the above L-K-T values.

Track-Pro Sliding Door

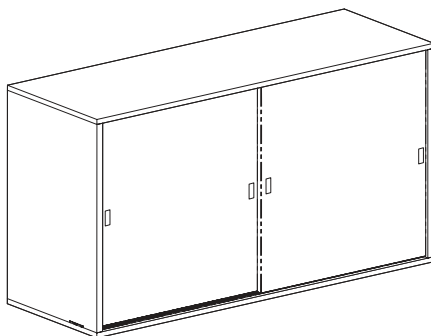

Two-Way Soft-Close Sliding Door System

Suits wooden doors

- Two way soft-close damper (opening and closing)
- Minimum track length for soft-closing 410mm
- Track length < 820mm will require one soft-close damper at the top and one at the bottom (due to soft-closing mechanism length x 2)
- Gentle and smooth door rolling action
- Suitable for 16mm door thickness or greater
- Soft-close inserts into track and aligns with roller to activate, adjustable to suit handle placement
- Effective catching mechanism prevents door disengagement
- Convenient door adjustment thanks to unique eccentric disc design on bottom rollers
- Door height; 9mm sprung adjustment and 4mm eccentric adjustment

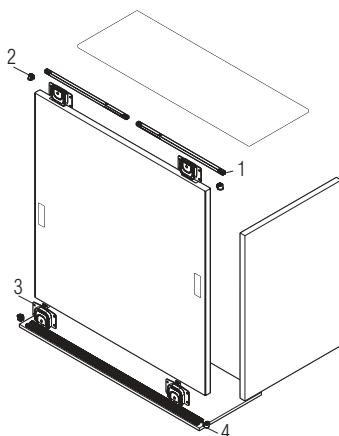

Special Note:

*Soft-Close Damper installation required into aluminium track before inserting track into groove if side access isn't possible
Soft-Close insertion suggested into top track for optimal performance*

Set includes:

Waste Solutions

Uni-Bin

The Finista Uni-Bin offers a simple design that delivers a quick and easy-to-assemble waste bin that integrates well with a wide range of drawer systems for a tidy and functional waste bin solution.

- Simple design for quick and easy assembly
- Quality product including metal bin surround that presents great all-round value
- Universal design fits multiple drawer systems including:
 - Finista Double Wall
 - Blum TANDEMBOX
 - Blum MERIVOBX
 - DTC Dragon Pro
 - Titus Slimline
 - Titus Slimline Plus
 - Hettich ArciTech
- Available in 450, 500 and 600mm width
 - 450mm: 2 x 29L bins
 - 500mm: 2 x 29L bins
 - 600mm: 2 x 43L bins
- Kit includes: 2 x bins, 2 x lids, 2 x mounting brackets, 1 x metal bin surround
- Optional metal shelf available for additional storage above bin inside drawer (sold separately)

Description	Width	Depth	Height	Code

Non-Slip Drawer Liner

An essential addition to stop items sliding around in drawers.

Non-slip liner is an essential addition to any kitchen to prevent damage to drawers and the items within them. The non-slip liner sits on the inside bottom of the drawer and stops damage from items sliding around. It's also easy to wipe clean, thick and durable, and food safe.

600CW White Multi Fit Incl 2 X 43L Baskets	559mm	498mm	505mm	7116440

Finista Edge Uni-Hamper

The Finista Edge Uni-Hamper maintains the simple design of the original Uni-Hamper to create a quick and easy-to-assemble laundry hamper that fits seamlessly with the Finista Edge Drawer System.

The Finista Edge Uni-Hamper does not require mounting brackets, provided that the High Drawer 174mm drawer sides and the metal base plate are used for installation.

- Available in 450 and 600mm width
 - 450mm: 1 x 58L basket
 - 600mm: 2 x 43L basket
- Kit includes: basket/s, 1 x metal base plate, 1 x basket surround
- Requires Finista Edge High Drawer 174mm drawer sides
- Optional metal shelf available for additional storage above bin inside drawer (sold separately)

We are Lincoln Sentry

The cabinetmaker's choice
for specialty hardware

From our humble beginnings in Brisbane more than 30 years ago, Lincoln Sentry's reputation has continued to grow and evolve as one of Australia's leading distributors of world class speciality hardware and smart solutions to the commercial, new home and renovation sectors.

We love the trade. It's why we're so passionate about the industry and the partnerships we have with you – the expert craftsmen and design specialists who transform ordinary spaces into the extraordinary.

Extensive product range

We aim to help our customers deliver quality work, backed by reliable and innovative hardware and solutions. Offering a diverse product portfolio sourced from across the globe and locally within Australia, we are committed to providing high quality specialty hardware solutions that help you create exciting spaces that shape the way people interact with where they work, live and play.

Expert support

Whether you're a cabinetmaker, shopfitter, joiner or designer, our dedicated National Customer Support Centre (NCSC) and technical specialists are the experts you can count on. Problem solvers at heart, their expert knowledge and advice enables you to bring your smart and functional ideas to life.

With boots on the ground in 23 locations and counting, we're local and always close by to assist you with the best products, technical advice and support on offer.

And, our Online Store at www.lincolnsentry.com.au brings us even closer with fast access to Australia's largest range of cabinet hardware products from wherever you are, whenever it's convenient for you.
